

Hello Girls in Aviation Day Vendors:

I want to express my gratitude in a heartfelt "THANK YOU"!!!!

It is well deserved for your support in sharing and inspiring the next generation.

I struggle because it is so hard for me to express all the gratitude I felt within watching the aviation enthusiasts.

As President and representative of WAI Palmetto Pride Chapter, parents and kids from GIAD, we again Thank you. The joy & laughter displayed at Signature Aviation's hangar was unforgettable.

Assuredly, we have prewritten "thank you" letters but I want to give so much more than that. As I flounced the area a few times to say my personal "thank you".

All the smiles, gifts, and food just said it all! I mainly remained in the registration area too greet all our participants. I want you to know "You ROCK" and will always be remembered as the best volunteer and vendor ever!

Again, I want to say a big **"THANK YOU"!**

We are updating our social media and website and would love for you to share all your information www.wai-ppc.org. Feel free to share your group and activities.

You can tag pictures to our Facebook page link below, please flood with all the GIAD pictures and your upcoming events. The kids and parents are excited and hungry for more. Now's the time to capture that audience and grow together.
